- (1) All benefits shall be paid through employment offices, or such other agencies as may be designated by regulations of the secretary. Claims for all payments of benefits shall be made in accordance with regulations of the secretary.
- (2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to one and one hundred eighty-five one-thousandths percent (1.185%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars (\$39), nor more than the maximum rate as determined in accordance with subsection (3) of this section. For claims effective on or after January 1, 2001, the weekly benefit rate shall, except as provided in KRS 341.390, be one and three thousand seventy-eight ten thousandths percent (1.3078%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars (\$39) nor more than the maximum rate as determined in accordance with subsection (3) of this section.

Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; beginning in calendar year 1999, or any subsequent year in which the increase in the weekly benefit rate calculation set forth in subsection (2) of this section should take effect, sixty-two percent (62%) of the average weekly wage, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of that year and prior to the first day of July of the next following year; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars (\$120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate. If such "trust fund balance" as of December 31 immediately preceding the benefit year:
 - (a) Equals or exceeds one hundred twenty million dollars (\$120,000,000), but is less than one hundred fifty million dollars (\$150,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than six percent (6%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);
 - (b) Equals or exceeds one hundred fifty million dollars (\$150,000,000), but is less than two hundred fifty million dollars (\$250,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by

The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);
 - (d) Equals or exceeds two hundred seventy-five million dollars (\$275,000,000), but is less than three hundred fifty million dollars (\$350,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than twelve percent (12%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1); and
 - (e) Is such that it resulted in the establishment of an employer contribution rate schedule, as provided for in KRS 341.270, for the current calendar year which has a higher minimum rate than the schedule in effect for the immediately preceding calendar year, the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate.
- (4) The maximum amount of benefits payable to any worker within any benefit year shall be the amount equal to whichever is the lesser of:
- (a) Twenty-six (26) times his weekly benefit rate; or
 - (b) One-third (1/3) of his base-period wages, except that no worker's maximum amount shall be less than fifteen (15) times his weekly benefit rate. Such maximum amount, if not a multiple of one dollar (\$1), shall be adjusted to the nearest multiple of one dollar (\$1).
